CHRISTIAN SCHOOL

Newsletter – February 14, 2025

NO SCHOOL

Monday, February 17 in observance of President's Day we will not have school.

Re-enrollment

Re-enrollment packets were sent home. Re-enroll early and take advantage of the discount. Just a reminder that we have limited class sizes and open enrollment will begin on March 1st.

Parent Testimony

Our experience with ECS began when our oldest started second grade. We had tried public school for 2 years and didn't care for the effect it was having. The biggest blessing, we received immediately was that the teachers and faculty were steering our daughter in the same direction that we were-towards Christ! We felt such a peace knowing they had our daughter's best interest in mind both spiritually and academically.

Fast forward 13 years and our oldest is now married and our other 3 children are still at ECS. We still appreciate the Biblical teaching/mentoring and great academics. As we have 1 child married and one preparing for college, the part that stands out the most is not the day to day assignments, research reports, sports, class parties, etc., but watching them put into practice the things they've been taught spiritually. When we see them taking the Christian worldview that they've been taught and start making their own decisions based on their personal relationship with Christ, there is no greater blessing. We are so grateful for ECS and all the dedicated teachers that make a difference in the lives of our children.
